Greetings Fellow Australians

And our friends around the World, I am sorry to report my 3 letters to Malcolm Turnbull MHR have gone un - answered he and his staff have refused to answer my letters.

Even to just say thanks but I am not interested in running for the Opposition Leadership again.

Please read the letters here: -

[**Letter to Malcolm Turnbull MHR - 2**](#)

[**Letter to Malcolm Turnbull MHR - 1**](#)

By the looks of it Malcolm Turnbull has gone **"Weak At The Knee's"** proving himself nothing more than a **Blow Hard**, full of **Hot Air** just like the rest of them in our Australian Parliament.

I am so sorry my fellow Australians I have failed, what can be said?

Australia similar to America, UK, Canada and other Western Countries the system is so broken & corrupted from Top – To – Middle riddled with incompetence the whole system needs pulling down and rebuilding again.

These people elected to Parliament are living in some sort of "**Alice In Wonderland**" World, they are detached from the real World we the citizens live in.

Awaiting For The Inquisition To Start

When a country goes down the path of

Staging: - "False Flag Terrorist Attacks"

Staging: - "False Flag Terrorist like Events"

Staging: - "Fake Terrorism Raids"

Staging: - "Setting Up Patsy's In Terror Plots"

When a country goes down this path of creating "**The Enemy**" all the time then in the next breath profess to have closed down and stop the same things from happening.

They fall into the trap of "**Creating The New & Next Enemy**" all the time, soon all they see is bad men under every bed, in every wardrobe, behind every door.

U.S. Army Characterizes 'Conspiracy Theorists' as Terrorists

Oct 3, 2012

A leaked U.S. Army document obtained by Wired Magazine characterizes people "**Frustrated with Mainstream Ideologies**"

As potential terrorists, while also framing those who **"Believe In Government Conspiracies"** as violent radicals.

I wish I could say this is a joke people, but these mad men at the US Pentagon & Homeland Security are deadly serious.

Remember Peoples Crimes They Have Committed

"Frustrated with Mainstream Ideologies"

- Oh you mean Mainstream Corporate – Controlled Media lying in stories about things?
- Oh you mean Mainstream Corporate – Controlled Media inventing stories?
- Oh you mean Mainstream Corporate – Controlled Media repeating stories and never investigating them first and the information?

OH, I see **Mainstream Ideologies** by calling it this The US Pentagon has just admitted they know the 3 above points to be true.

Remember Peoples Crimes They Have Committed

"Believe In Government Conspiracies"

Oh you mean when an Official story is released by the Government people smell a rat, something fishy and go out and do their own investigation, research and study.

And find out the truth, that the Official story released is total BS, Rubbish, Crap, Lies and in true fact it was Police, Military and Intelligence Agencies carrying out the following.

Staging: - "False Flag Terrorist Attacks"

Staging: - "False Flag Terrorist like Events"

Staging: - "Fake Terrorism Raids"

Staging: - "Setting Up Patsy's In Terror Plots"

Oh I see, **"Believe In Government Conspiracies"** by the US Pentagon accusing people of this, they really have 3 fingers pointing back saying guilty as charged.

I am sorry my fellow Australians I tried, what is the old saying what ever happens in America follows suit here in Australia about six – months latter.

Which means Police, Military and Intelligence Agencies in Australia will be running about arresting people and locking them up for the same crimes.

Declaring them to be Terrorist and Criminals.

Welcome to the New World Order people, this is a sample of what A Zio Nazi – Fascist Police State will look like, there will be nowhere to run or hide.
